|---|---|---|---|---|---|

You can log in with your school credentials (the same credentials that you use for Calcentral). **To enroll in the Gradescope course, please enter this code MJKE6P.** Once you get through the the log in, you'll find the portal to PH 142 Spring 2019.
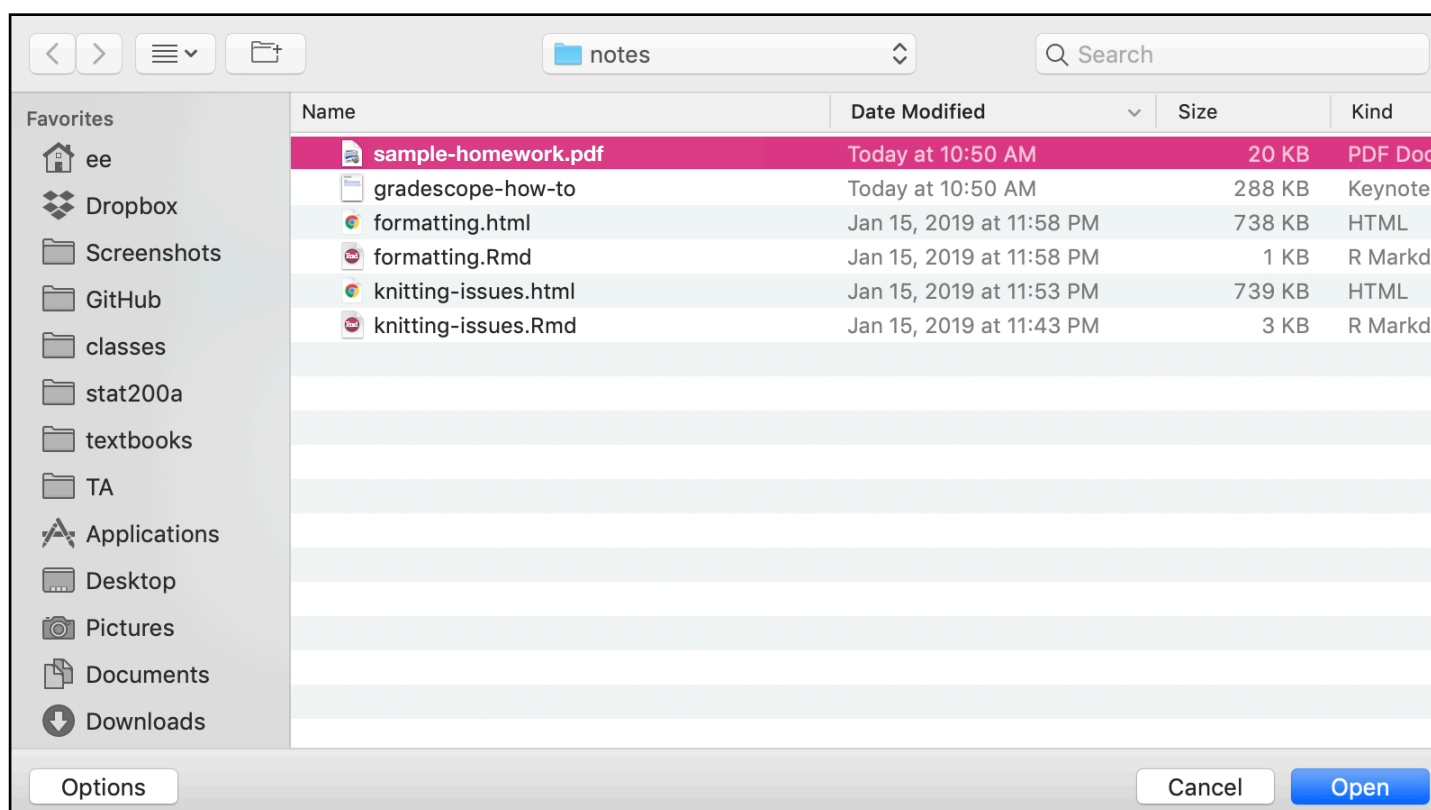

## Your Courses

### Spring 2019

**PH 142 Spring 2019**
Introduction Probability and Statistics in Biology and Public Health

1 assignment

**+ Add a course**

Next, you'll see assignments that are due. We are going to turn in some sample homework. Click on "Sample Homework".

| PH 142 Spring 2019 | Spring 2019 | | |
|---|---|---|---|
| ⬍ NAME | ⬍ STATUS | RELEASED | DUE (PST) ⬍ |
| Sample Homework | 🟡 No Submission | JAN 17 | 23 hours, 1 minute left  JAN 18 AT 10:00AM |

You're going to get the following popup for you to upload your PDF. Click "Submit PDF".

Upload your assignment from where you downloaded it on your computer.

Once you click open, you're given this screen. Upload the PDF.

You'll next see a screen that looks like this. This sample homework assignment is 6 pages long. After each of the problems, we have a new page. Problem 3 is longer than the other problems, and it flows onto two pages.

Assign each page to the problem you are answering by clicking on the problem number and then the corresponding page(s).

**Sample Homework** | Assign Questions and Pages

SUBMITTED AT: JANUARY 17, 11:01 AM

Select questions and pages to indicate where your responses are located. Use `esc` to deselect all items and hold `shift` to select multiple questions.

**Question Outline**

Select pages to assign to Question **5**.
